- The best straight-to-video sequel ever

## PRESS

“Retains its predecessors redneck charm and gleeful creature-killing violence and gore... not merely a rehash”

—David Bleiler, *TLA Film and Video Guide*

“Tremors 2 is probably the best direct-to-video sequel ever made...it's leaps and bounds ahead of any of its competitors, including some theatrical sequels”

—Gavin Al-Asif, *Houston Chronicle*

“A rarity among direct-to-video sequels, one that's not only worthy of its theatrical predecessor but suggests that it too, belongs on the big screen...despite the significantly lower budget, the monsters remain entirely convincing”

—*TV Guide*
