—Andrew Stover, *Film Inquiry*

"Beautiful, mysterious, lyrical and somehow relaxing in spite of its sadness and persistent instances of violence, there's a hallucinatory aura that surrounds Hu's film, thanks primarily to the lyricism of his camera"

—Patrick Gamble, *CinVue*

"[Hu] has given us a triumph of bold sociopolitical critique and intimate human portraiture, and a reminder that you rarely encounter the one without the other"

—Justin Chang, *Los Angeles Times*
